Department for Medicaid Services

Division of Policy and Operations

(New Administrative Regulation)

907 KAR 15:010. Coverage provisions and requirements regarding behavioral health services provided by independent providers.

RELATES TO: KRS 205.520, 42 U.S.C. 1396a(a)(10)(B), 42 U.S.C. 1396a(a)(23).

STATUTORY AUTHORITY: KRS 194A.030(2), 194A.050(1), 205.520(3

NECESSITY, FUNCTION, AND CONFORMITY: The Cabinet for Health and Family Services, Department for Medicaid Services, has a responsibility to administer the Medicaid program. KRS 205.520(3) authorizes the cabinet, by administrative regulation, to comply with any requirement that may be imposed or opportunity presented by federal law to qualify for federal Medicaid funds. This administrative regulation establishes the coverage provisions and requirements regarding Medicaid Program behavioral health services provided by certain licensed behavioral health professionals who are independently enrolled in the Medicaid Program or practitioners working for or under the supervision of the independent providers.

Section 1. General Coverage Requirements. (1) For the department to reimburse for a service covered under this administrative regulation, the service shall be:

(a) Medically necessary;

(b) Provided:

1. To a recipient; and

2. By a:

a. Provider who meets the provider participation requirements established in Section 2 of this administrative regulation; or

b. Practitioner working under the supervision of a provider who meets the provider participation requirements established in Section 2 of this administrative regulation; and

(c) Billed to the department by the billing provider who provided the service or under whose supervision the service was provided by an authorized practitioner in accordance with Section 3 of this administrative regulation.

(2)(a) Direct contact between a provider or practitioner and a recipient shall be required for each service except for a collateral service for a child under the age of twenty-one (21) years if the collateral service is in the child's plan of care.

(b) A service that does not meet the requirement in paragraph (a) of this subsection shall not be covered.

(3) A billable unit of service shall be actual time spent delivering a service in a face-to-face encounter.

(4) A service shall be:

(a) Stated in a recipient's treatment plan; and

(b) Provided in accordance with a recipient's treatment plan;

(c) Provided on a regularly scheduled basis except for a screening or assessment; and

(d) Made available on a non-scheduled basis if necessary during a crisis or time of

increased stress for the recipient.

Section 2. Provider Participation. (1) To be eligible to provide services under this administrative regulation a provider shall:

(a) Be currently enrolled in the Kentucky Medicaid Program in accordance with 907 KAR 1:672; and

(b) Except as established in subsection (2) of this section, be currently participating in the Kentucky Medicaid Program in accordance with 907 KAR 1:671.

(2) In accordance with Section 3(3) of 907 KAR 17:010, a provider of a service to an enrollee shall not be required to be currently participating in the Medicaid program if the managed care organization in which the enrollee is enrolled does not require the provider to be currently participating in the Medicaid program.

(3) A provider shall:

(a) Agree to provide services in compliance with federal and state laws regardless of age, sex, race, creed, religion, national origin, handicap, or disability; and

(b) Comply with the Americans with Disabilities Act (42 U.S.C. 12101 et seq.) and any amendments to the Act.

Section 3. Covered Services. (1) Except as specified in the requirements stated for a given service, the services covered may be provided for a:

g. Primary care physician and address;

h. The reason the individual is seeking help including the presenting problem and diagnosis; and

i. Any physical health diagnosis, if a physical health diagnosis exists for the individual, and information regarding:

(i) Where the individual is receiving treatment for the physical health diagnosis; and

(ii) The physical health provider;

k. The name of the informant and any other information deemed necessary by the independent provider to comply with the requirements of:

(i) This administrative regulation;

(ii) The provider's licensure board;

(iii) State law; or

(iv) Federal law;

2. Documentation of the:

a. Screening;

b. Assessment;

c. Disposition; and

d. Six (6) month review of a recipient's treatment plan each time a six (6) month review occurs; and

3. A complete history including mental status and previous treatment;

4. An identification sheet;

5. A consent for treatment sheet that is accurately signed and dated; and

6. The individual's stated purpose for seeking services.

(b) Be:

1. Maintained in an organized central file;

2. Furnished to the Cabinet for Health and Family Services upon request;

3. Made available for inspection and copying by Cabinet for Health and Family Services' personnel;

4. Readily accessible;

5. Adequate for the purpose establishing the current treatment modality and progress of the recipient;

(4) Documentation of a screening shall include:

(a) Information relative to the individual's stated request for services; and

(b) Other stated personal or health concerns if other concerns are stated.

(5)(a) A provider's notes regarding a recipient shall:

1. Be made within forty-eight (48) hours of each service visit;

2. Describe the:

a. Recipient's symptoms or behavior, reaction to treatment, and attitude;

b. Therapist's intervention;

c. Changes in the treatment plan if changes are made; and

d. Need for continued treatment if continued treatment is needed.

(b)1. Any edit to notes shall:

a. Clearly display the changes;

b. Be initialed and dated.

2. Notes shall not be erased or illegibly marked out.

(c)1. Notes recorded by a practitioner working under supervision shall be co-signed and dated by the supervising professional providing the service.

2. If services are provided by a practitioner working under supervision, there shall be a monthly supervisory note recorded by the supervision professional reflecting consultations with the practitioner working under supervision concerning the:

a. Case; and

b. Supervising professional's evaluation of the services being provided to the recipient.

(6) Immediately following a screening of a recipient, the provider shall perform a disposition related to:

(a) An appropriate diagnosis;

(b) A referral for further consultation and disposition, if applicable; and

(c)1. Termination of services and referral to an outside source for further services; or

2. Termination of services without a referral to further services.

(7)(a) A recipient's treatment plan shall be reviewed at least once every six (6) months.

(b) Any change to a recipient's treatment plan shall be documented, signed, and dated by the rendering provider.

(8)(a) Notes regarding services to a recipient shall:

1. Be organized in chronological order;

2. Dated;

3. Titled to indicate the service rendered;

4. State a starting and ending time for the service; and

5. Be recorded and signed by the rendering provider and included the professional title (for example, licensed clinical social worker) of the provider.

(b) Initials, typed signatures, or stamped signatures shall not be accepted.

(c) Telephone contacts, family collateral contacts not coverable under this administrative regulation, or other non-reimbursable contacts shall:

1. Be recorded in the notes; and

2. Not be reimbursable.

(9) A termination summary shall:

(a) Be required, upon termination of services, for each recipient who received at least three (3) service visits; and

(b) Contain a summary of the significant findings and events during the course of treatment including the:

1. Final assessment regarding the progress of the individual toward reaching goals and objectives established in the individual's treatment plan;

2. Final diagnosis of clinical impression;

3. Individual's condition upon termination and disposition.

(c) A health record relating to an individual who terminated from receiving services shall be fully completed within ten (10) days following termination.

(10) If an individual's case is reopened within ninety (90) days of terminating services for the same or related issue, a reference to the prior case history with a note regarding the interval period shall be acceptable.

(11) If a recipient is transferred or referred to a health care facility or other provider for care or treatment, the transferring provider shall, if the recipient gives the provider written consent to do so, forward a copy or summary of the recipient's health record to the health care facility or other provider who is receiving the recipient.

(12)(a) If a provider's Medicaid Program participation status changes as a result of voluntarily terminating from the Medicaid Program, involuntarily terminating from the Medicaid Program, a licensure suspension, or death of the provider, the health records of the provider shall:

1. Remain the property of the provider; and

2. Be subject to the retention requirements established in subsection (13) of this section.

(b) A provider shall have a written plan addressing how to maintain health records in the event of the provider's death.

(13)(a) Except as established in paragraph (b) of this subsection, a provider shall maintain a health record regarding a recipient for at least five (5) years from the date of the service or until any audit dispute or issue is resolved beyond five (5) years.

(b) If the Secretary of the United States Department of Health and Human Services requires a longer document retention period than the period referenced in paragraph (a) of this section, pursuant to 42 CFR 431.17, the period established by the secretary shall be the required period.

(14)(a) A provider shall comply with 45 Chapter 164.

(b) All information contained in a health record shall be:

1. Treated as confidential;

2. Not be disclosed ~~only~~ to an unauthorized individual;

3. Be disclosed to an authorized representative of:

a. The department; or

b. Federal government;

(c)1. Upon request, a provider shall provide to an authorized representative of the department or federal government information requested to substantiate:

a. Staff notes detailing a service that was rendered;

b. The professional who rendered a service;

c. The type of service rendered and any other requested information necessary to determine, on an individual basis, whether the service is reimbursable by the department.

2. Failure to provide information referenced in subparagraph 1 of this paragraph shall result in denial of payment for any service associated with the requested information.

Section 7. Medicaid Program Participation Compliance. (1) A provider shall comply with:

(a) 907 KAR 1:671;

(b) 907 KAR 1:672; and

(c) All applicable state and federal laws.

(2)(a) If a provider receives any duplicate payment or overpayment from the department, regardless of reason, the provider shall return the payment to the department.

(b) Failure to return a payment to the department in accordance with paragraph (a) of this section may be:

1. Interpreted to be fraud or abuse; and

2. Prosecuted in accordance with applicable federal or state law.

(3)(a) When the department makes payment for a covered service and the provider accepts the payment:

1. The payment shall be considered payment in full;

2. No bill for the same service shall be given to the recipient; and

3. No payment from the recipient for the same service shall be accepted by the provider.

(b)1. A provider may bill a recipient for a service that is not covered by the Kentucky Medicaid Program if the:

a. Recipient requests the service; and

b. Provider makes the recipient aware in advance of providing the service that the:

(i) Recipient is liable for the payment; and

(ii) Department is not covering the service.

2. If a recipient makes payment for a service in accordance with subparagraph 1 of this paragraph, the:

a. Provider shall not bill the department for the service; and

b. Department shall not:

(i) Be liable for any part of the payment associated with the service; and

(ii) Make any payment to the provider regarding the service.

(4)(a) A provider attests by the provider's signature that any claim associated with a service is valid and submitted in good faith.

(b) Any claim and substantiating record associated with a service shall be subject to audit by the:

1. Department or its designee;

2. Cabinet for Health and Family Services, Office of Inspector General or its designee;

3. Kentucky Office of Attorney General or its designee;

4. Kentucky Office of the Auditor for Public Accounts or its designee;

5. United States General Accounting Office or its designee;

(c) If a provider receives a request from the department to provide a claim or related information or related documentation or record for Medicaid RAC program purposes, the provider shall provide the request information to the department within the timeframe requested by the department.

(d)1. All services provided shall be subject to review for recipient or provider abuse.

2. Willful abuse by a provider shall result in the suspension or termination of the provider from Medicaid Program participation.

Section 8. Third Party Liability. A provider shall comply with KRS 205.622.

Section 9. Use of Electronic Signatures. (1) The creation, transmission, storage, and other use of electronic signatures and documents shall comply with the requirements established in KRS 369.101 to 369.120.

(2) A provider that chooses to use electronic signatures shall:

(a) Develop and implement a written security policy that shall:

1. Be adhered to by each of the provider's employees, officers, agents, or contractors;

2. Identify each electronic signature for which an individual has access; and

3. Ensure that each electronic signature is created, transmitted, and stored in a secure fashion;

(b) Develop a consent form that shall:

1. Be completed and executed by each individual using an electronic signature;

2. Attest to the signature's authenticity; and

3. Include a statement indicating that the individual has been notified of his responsibility in allowing the use of the electronic signature; and

(c) Provide the department with:

1. A copy of the provider's electronic signature policy;

2. The signed consent form; and

3. The original filed signature immediately upon request.

Section 10. Auditing Authority. The department shall have the authority to audit any:

(1) Claim;

(2) Medical record; or

(3) Documentation associated with any claim or medical record.

Section 11. Federal Approval and Federal Financial Participation. The department's coverage of services pursuant to this administrative regulation shall be contingent upon:

(1) Receipt of federal financial participation for the coverage; and

(2) Centers for Medicare and Medicaid Services' approval for the coverage.

Section 12. Appeals. (1) An appeal of an adverse action by the department regarding a service and a recipient who is not enrolled with a managed care organization shall be in accordance with 907 KAR 1:563.

(2) An appeal of an adverse action by a managed care organization regarding a service and an enrollee shall be in accordance with 907 KAR 17:010.

REGULATORY IMPACT ANALYSIS
AND TIERING STATEMENT

Administrative Regulation Number: 907 KAR 15:010
Cabinet for Health and Family Services
Department for Medicaid Services
Agency Contact: Stuart Owen (502) 564-4321

(1) Provide a brief summary of:
(a) What this administrative regulation does: This administrative regulation establishes the coverage provisions and requirements regarding Medicaid Program behavioral health services provided by certain licensed behavioral health professionals who are independently enrolled in the Medicaid Program as Medicaid providers or practitioners working for or under the supervision of the independent provides. This administrative regulation is being promulgated in conjunction with two (2) administrative regulations – 907 KAR 15:015 (Reimbursement for behavioral health services provided by independent providers) and 907 KAR 15:005 (Definitions for KAR Chapter 15). Currently, the Department for Medicaid Services does not enroll licensed psychologists, licensed professional clinical counselors, licensed clinical social workers, licensed marriage and family therapists, or licensed psychological practitioners as independent Medicaid providers. Rather these providers have to work for or under contract with - for example - a community mental health center, a physician's office, a federally-qualified health center, or a rural health clinic among other entities and the entity bills (and is reimbursed by) the Medicaid Program for the services provided. This administrative regulation also establishes practitioners who may provide behavioral health services under supervision of one (1) of the aforementioned independent providers and in which case the Medicaid Program will reimburse the independent provider (billing provider) for the services.
(b) The necessity of this administrative regulation: This administrative regulation is being promulgated in conjunction with two (2) administrative regulations – 907 KAR 15:015 (Reimbursement for behavioral health services provided by independent providers) and 907 KAR 15:005 (Definitions for KAR Chapter 15) - to comply with a federal mandate and to enhance recipient access to services. Section 1302(b)(1)(E) of the Affordable Care Act mandates that "essential health benefits" for Medicaid programs include "mental health and substance use disorder services, including behavioral health treatment" for all recipients. Currently, DMS covers substance use treatment for pregnant women and children. Additionally, this administrative regulation is necessary to enhance Medicaid recipient access to behavioral health services by expanding the providers and practitioners authorized to provide the services as independent providers or as practitioners working under the supervision of an independent provider. The Department for Medicaid Services (DMS) is anticipating a substantial increase in demand for services as a result of new individuals gaining Medicaid eligibility in 2014. Some new individuals will be those eligible as part of the "expansion group" (a new eligibility group authorized by the Affordable Care

Act which is comprised of adults under age sixty-five (65), who are not pregnant, whose income is below 133% of the federal poverty level, and who are not otherwise eligible for Medicaid.) Another newly eligible group is a group mandated by the Affordable Care Act comprised of former foster care children between the ages of nineteen (19) and twenty-six (26) who aged out of foster care while receiving Medicaid benefits. Furthermore, DMS anticipates a significant enrollment increase of individuals eligible under the "old" Medicaid rules who did not seek Medicaid benefits in the past, but will do so as a result of publicity related to the Affordable Care Act, Medicaid expansion, and the Health Benefit Exchange.

(c) How this administrative regulation conforms to the content of the authorizing statutes: This administrative regulation conforms to the content of the authorizing statutes by complying with a federal mandate and by enhancing and ensuring Medicaid recipients' access to behavioral health services.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation will assist in the effective administration of the authorizing statutes by complying with a federal mandate and by enhancing and ensuring Medicaid recipients' access to behavioral health services.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This is a new administrative regulation.

(b) The necessity of the amendment to this administrative regulation: This is a new administrative regulation.

(c) How the amendment conforms to the content of the authorizing statutes: This is a new administrative regulation.

(d) How the amendment will assist in the effective administration of the statutes: This is a new administrative regulation.

(3) List the type and number of individuals, businesses, organizations, or state and local government affected by this administrative regulation: Licensed psychologists, advanced practice registered nurses, licensed professional clinical counselors, licensed clinical social workers, licensed marriage and family therapists, and licensed psychological practitioners who wish to enroll in the Medicaid Program as independent providers will be affected by this administrative regulation. Licensed psychological associates, certified social workers (master's level), licensed professional counselor associates, and marriage and family therapy associates who wish to provide behavioral health services while working for one (1) of the aforementioned independent providers will also be affected by this administrative regulation. Medicaid recipients who qualify for behavioral health services will be affected by this administrative regulation.

(4) Provide an analysis of how the entities identified in question (3) will be impacted

by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment. Individuals listed in question (3) who wish to provide services to Medicaid recipients will need to enroll with the Medicaid Program as prescribed in the Medicaid provider enrollment regulation (complete and application and submit it to DMS) and sign agreements with managed care organizations if the individual wishes to provide services to Medicaid recipients who are enrolled with a managed care organization.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3). Individuals who wish to provide behavioral health services to Medicaid recipients per this administrative regulation could experience administrative costs associated with enrolling with the Medicaid Program.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3). An individual who enrolls with the Medicaid Program to provide behavioral health services will benefit by being reimbursed for services provided to Medicaid recipients. Behavioral health service practitioners who can work for an independent behavioral health service provider will benefit from having an expanded pool of employers/employment settings in which to work. Medicaid recipients in need of behavioral health services will benefit from an expanded base of providers from which to receive these services.

(5) Provide an estimate of how much it will cost to implement this administrative regulation:

(a) Initially: DMS is unable to accurately estimate the costs of expanding the behavioral health provider base due to the variables involved as DMS cannot estimate how many individual behavioral health professionals will enroll in the Medicaid Program, nor the utilization of substance use disorder services beyond the current utilization (pregnant women and children), nor the utilization of enhanced behavioral health services, nor the utilization of these services in the independent provider realm versus the realm of currently authorized providers (community mental health centers, federally-qualified health centers, rural health clinics, primary care centers, and physician offices.)

(b) On a continuing basis: The response to question (a) also applies here.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: The sources of revenue to be used for implementation and enforcement of this administrative regulation are federal funds authorized under the Social Security Act, Title XIX and matching funds of general fund appropriations.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment. Neither an increase in fees nor funding is necessary to

implement this administrative regulation.

(8) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation neither establishes nor increases any fees.

(9) Tiering: Is tiering applied? (Explain why tiering was or was not used.) Tiering is not applied as the policies apply equally to the regulated entities..

FEDERAL MANDATE ANALYSIS COMPARISON

Regulation Number: 907 KAR 15:010
Agency Contact: Stuart Owen (502) 564-4321

1. Federal statute or regulation constituting the federal mandate. Section 1302(b)(1)(E) of the Affordable Care Act, 42 U.S.C. 1396a(a)(10)(B), and 42 U.S.C. 1396a(a)(23).

2. State compliance standards. KRS 205.520(3) states:

“Further, it is the policy of the Commonwealth to take advantage of all federal funds that may be available for medical assistance. To qualify for federal funds the secretary for health and family services may by regulation comply with any requirement that may be imposed or opportunity that may be presented by federal law. Nothing in KRS 205.510 to 205.630 is intended to limit the secretary's power in this respect.”

3. Minimum or uniform standards contained in the federal mandate. Substance use disorder services are federally mandated for Medicaid programs.

Section 1302(b)(1)(E) of the Affordable Care Act mandates that “essential health benefits” for Medicaid programs include “mental health and substance use disorder services, including behavioral health treatment.”

42 U.S.C. 1396a(a)(23), is known as the freedom of choice of provider mandate. This federal law requires the Medicaid Program to “provide that (A) any individual eligible for medical assistance (including drugs) may obtain such assistance from any institution, agency, community pharmacy or person, qualified to perform the service or services required (including an organization which provides such services, or arranges for their availability, on a prepayment basis), who undertakes to provide him such services.” Medicaid recipients enrolled with a managed care organization may be restricted to providers within the managed care organization’s provider network.

The Centers for Medicare and Medicaid Services (CMS) – the federal agency which oversees and provides the federal funding for Kentucky’s Medicaid Program – has expressed to the Department for Medicaid Services (DMS) the need for DMS to expand its substance use disorder provider base to comport with the freedom of choice of provider requirement.

42 U.S.C. 1396a(a)(10)(B) requires the Medicaid Program to ensure that services are available to Medicaid recipients in the same amount, duration, and scope. Expanding the provider base will help ensure Medicaid recipient access to services statewide and reduce or prevent the lack of availability of services due to demand exceeding supply in any given area.

4. Will this administrative regulation impose stricter requirements, or additional or different responsibilities or requirements, than those required by the federal mandate? The administrative regulation does not impose stricter than federal requirements.

5. Justification for the imposition of the stricter standard, or additional or different responsibilities or requirements. The administrative regulation does not impose stricter than federal requirements.

FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

Regulation Number: 907 KAR 15:010
Agency Contact: Stuart Owen (502) 564-4321

1. What units, parts or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Department for Medicaid Services will be affected by the amendment to this administrative regulation.

2. Identify each state or federal regulation that requires or authorizes the action taken by the administrative regulation. This administrative regulation authorizes the action taken by this administrative regulation.

3. Estimate the effect of this administrative regulation on the expenditures and revenues of a state or local government agency (including cities, counties, fire departments, or school districts) for the first full year the administrative regulation is to be in effect.

(a) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for the first year? The amendment is not expected to generate revenue for state or local government.
(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? The amendment is not expected to generate revenue for state or local government.
(c) How much will it cost to administer this program for the first year? DMS is unable to accurately estimate the costs of expanding the behavioral health provider base due to the variables involved as DMS cannot estimate how many individual behavioral health professionals will enroll in the Medicaid Program, nor the utilization of substance use disorder services beyond the current utilization (pregnant women and children), nor the utilization of enhanced behavioral health services, nor the utilization of these services in the independent provider realm versus the realm of currently authorized providers (community mental health centers, federally-qualified health centers, rural health clinics, primary care centers, and physician offices.)
(d) How much will it cost to administer this program for subsequent years? The response to question (a) also applies here.

Note: If specific dollar estimates cannot be determined, provide a brief narrative to explain the fiscal impact of the administrative regulation.
